Enter for your chance to win a  
stay and play package!

The Birdies for Charity presented by Michelin North America Fund was established to support the continuing efforts of the BMW Charity Pro-Am presented by SYNEX Corporation, a 501 (C)(3) not-for-profit organization, to provide bonus dollars to participating charities. To qualify, charities must be publicly supported and recognized by the Internal Revenue Service as a 501 (C)(3) organization. All charitable contributions must come from a designated donor, and must not be part of a capital campaign. The Birdies for Charity presented by Michelin North America program is intended to support charitable organizations, services, operations and programs.
